Team-based Simulation Design and Debriefing:
A new experience in learning, a new conversation about human error

UI Hospitals and Clinics Center for Procedural Skills and Simulation
in collaboration with the Office of Consultation and Research in Medical Education, the Office of Operational Excellence, and the Nursing Clinical Education Center

Three-day immersive course:
Wednesday, April 27, 2016 7:30 a.m. to 5 p.m.
Thursday, April 28, 2016 7:30 a.m. to 5 p.m.
Friday, April 29, 2016 7:30 a.m. to 5 p.m.

**Purpose:** Participants in this course join a growing community of practice in health care that applies debriefing and/or simulation effectively to promote learning, teamwork, and patient safety.

**Learning objectives:** The UI Team-based Simulation Design and Debriefing workshop enables the participant to:
- Design, conduct, and debrief an interprofessional simulation
- Explain the implications of behavior rather than knowledge as the object of learning and measurement
- Model and analyze health care teamwork skills in critical situations
- Deliver effective educational feedback in a manner that promotes self-reflection
- Describe a Culture of Inquiry, and explain its approach to patient safety and medical error

**UI Health Care faculty:**
Tom Collins, MD; Clinical Associate Professor, Department of Surgery, Director, UI Hospitals and Clinics Center for Procedural Skills and Simulation

Kristi Ferguson, PhD; Professor, Internal Medicine, Director, Office of Consultation and Research in Medical Education

Paul Leonard, MD, PhD; Clinical Associate Professor, Department of Anesthesia

Julie Lindower, MD, MPH; Clinical Associate Professor, Department of Pediatrics, CREWS Co-Director UI Children’s Hospital

Maria Lofgren, DNP, ARNP, NNP-BC; UIHC ARNP/PA Co-Chair, CREWS Co-Director UI Children’s Hospital

Daniel Miller, MD; Clinical Associate Professor, Department of Emergency Medicine, Director of Medical Simulation of Emergency Medicine

Tom Persoon, MS; Senior Quality and Improvement Engineer, Office of Operational Excellence, Adjunct Instructor College of Public Health

Kokila Thenuwara, MD; Clinical Assistant Professor, Department of Anesthesia

Jeff Vande Berg, MS; Quality and Improvement Engineer, Office of Operational Excellence
**Special note:** This course is intended to be an immersive experience. We respectfully ask that you arrange to be off service and free of call responsibilities throughout the course. **You must attend all three sessions of the course.**

**Registration:** $200 and in-kind agreement. *See details on registration form below*

Registration closes at 4 p.m. on **Wednesday, April 13, 2016**, and the fee is non-refundable after that date.

To register, complete and sign the form below. Return it [lori-stout@uiowa.edu](mailto:lori-stout@uiowa.edu) or campus mail to: Lori Stout, Department of Surgery, 1527 JCP.

Space is limited so register early. Payment must be received to secure your spot. MFK will not be charged until two weeks before the workshop.

Please contact Lori Stout at 384-9365 if you have questions about registration, and contact Kristi Ferguson at 335-8900 for questions about the program.

**Organized by:** The UI Hospitals and Clinics Center for Procedural Skills and Simulation

**Location:** Nursing Clinical Education Center, 4W GH (Elevator BW, Level 4)

**CME ACCREDITATION:** The University of Iowa Roy J. and Lucille A. Carver College of Medicine is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

**CME CREDIT DESIGNATION:** The University of Iowa Carver College of Medicine designates this live activity for a maximum of 24 **AMA PRA Category 1 Credit(s)**™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Everyone in a position to control the content of this educational activity will disclose to the CME provider and to attendees all relevant financial relationships with any commercial interest.

**NURSING CEU CREDIT DESIGNATION:** 2.7 CEUs will be granted by UI Hospitals and Clinics Department of Nursing, IBN Approved Provider #34. Participants must attend each session in its entirety to receive full credit.
University of Iowa Hospitals and Clinics
Team-based Simulation Design and Debriefing Program

Registration Form

Name _____________________________________________________

Department ______________________________________________

Campus Address __________________________________________

Phone _______________________ Email _______________________

Payment method: □ Personal check □ Department MFK (MFK will not be charged until two weeks before the workshop)

If paid by your department, please list MFK number: _____________________________________________________

Please Note: The $200 tuition covers only the material costs of the course and food (3 breakfasts, 3 lunches and breaks). Program faculty are committed to building a rich simulation culture in our institution. Comparable instructional programs range between $1,500 and $3,000. To help the simulation initiative grow and to keep tuition low we ask that you conduct at least three simulations at the University of Iowa (at least one of which should be an interprofessional simulation). This should be done within 18 months of completing the Team-based Simulation Design and Debriefing Program.

As part of the curriculum you will be organizing, conducting, and debriefing an interprofessional simulation. This simulation will be done in collaboration with one of the Program faculty and should be completed within six months of finishing the course. This simulation WILL be considered as one of the three required for the payment in kind agreement.
