VISITOR RESTRICTION

ADULT PATIENTS:
one visitor per patient per day

PEDIATRIC PATIENTS:
two visitors per patient per day

Limiting visitors will keep patients and staff safe.

- Visitors must be age 18 or older and healthy.
- Visitors will be screened when arriving and asked which patient they are visiting
- Pediatric patients’ visitors must be their parent or legal guardian.

These restrictions will remain in place until further notice. Thank you for your understanding.
