

Do you have a **ReadySet** account?

AWESOME!

You'll find your COVID-19 immunization information on your ReadySet account. You can login with your Hawk ID and password at: bit.ly/MyReadySet. You can opt in or out, and complete your pre-vaccination questions (if you opt in).

WHAT IS READYSET?

ReadySet is your electronic employee health record. By federal law, it is separate from Epic. You must have a ReadySet account to participate in the COVID-19 immunization program – whether or not you choose to receive the vaccine.

YOU NEED ONE!

Your screen should look like this

1. Type **2147** in the *Access/Org Code* space
2. Choose **COVID-19 Immunization** from the *Program Type* menu
3. Type the code shown, and click **Next**

Go to uiowa.readysetsecure.com.
Click on **“New User? Click Here to Begin.”**

KEEP GOING!

Your next screen

Fill in all of the blanks
Your *Employee ID* is the **8-digit number** that begins with **0** on your employee badge

3. Check the results when complete. Make changes as needed.

Choose your **user name, password** and **security questions**. Then choose **Agree** and enter site.

YOU DID IT!
You now have a ReadySet account!
You can now find your COVID-19 immunization info on your ReadySet account. You can opt in or out, and complete your pre-vaccination questions (if you opt in).
